

# Château de Corcelles

## L'ÂME DU BEAUJOLAIS

### Contre Toute Attente VDF- 100% gamay

**TERROIR :** The vines are situated in the Perréon and Charentay vineyards on sandy and clay soil, located 15 km south of Corcelles, give rich, round and expressive wines.

**VINIFICATION AND AGEING :** This wine is traditionally crafted, but as soon as it reaches an alcohol content of approximately 8.5%, a portion is extracted and chilled, stopping the fermentation process. The partially fermented must is then bottled, preserving all the carbon dioxide from the fermentation.

**TASTING :** It has a grenadine pink color, an explosion of fresh fruit flavors, and a smooth and decadent palate with a slight effervescence.

**FOOD AND WINE PAIRING :** Unusual and low in alcohol, it's best enjoyed chilled as an aperitif or with dessert.

**ALCOHOL DEGREE :** 8,5°
